**PROJECT TITLE: LET'S REMOVE BULLYING  
AND PROMOTE KINDNESS TO ONE  
ANOTHER**

**PROJECT NUMBER:2020-1-UK01-KA229-  
078813\_4,**

During the period 5-9.12.2022, students and teachers from Spain, Romania, Poland and United Kingdom participated in the meeting entitled „Cyber-bullying across European schools - Case studies, statistics and current situation in each school/country”. which took place at **Sanders School Hornchurch, United Kingdom.**

During the school activities, students had the opportunity to interact, to communicate in English, to share their experience, to develop their personal skills, critical and analytical thinking about different cases of cyberbullying. The students also created posters in teams to raise awareness about cyberbullying. The students learned how to use the cyberbullying reporting platform.

The cultural visits aimed to develop students' communication, social and cultural skills in a new formative and applied context.
